

**GROUP PRELIMINARY DATA ON REVENUE 2025**

Milan, 21 February 2026

Dexelance S.p.A. (DEX.MI), a diversified industrial group among the Italian leaders in high-end design, lighting and furniture (the “Company” or the “Group”), hereby announces that the Group closed 2025 with Full Revenue<sup>1</sup> of approximately EURO 370 million, up around 15% compared to 2024.

On the one hand, the result was influenced by the widely anticipated slowdown in the Luxury Contract segment, due to a more conservative approach to retail by major customers in the luxury sector. On the other hand, it benefited from the inclusion of Mohd in the scope of consolidation, in line with Dexelance's historical evolution and business model, which is highly focused on external growth.

The Group also closed the fourth quarter with a progressive improvement in margins compared to the previous quarters.

The Company's Board of Directors will approve the Preliminary Annual Financial Report as at 31 December 2025 on 16 March 2026.

This press release is available on the Company's website ([www.dexelance.com](http://www.dexelance.com)) and distributed via the 1Info SDIR system ([www.1info.it](http://www.1info.it)).
